

# HIMANSH SHARMA

Video Editor | Filmmaker | Photographer  
Ads Films • Branded Content • High-Retention Video

---

## Profile

Performance-focused Video Editor, Filmmaker & Photographer creating premium visuals for brands and creators. I specialize in ad films and branded content that capture attention quickly, elevate brand perception, and drive engagement. Strong command over storytelling, pacing, and cinematic aesthetics, combined with fast AI-assisted workflows for high-quality delivery.

---

## Core Value

- Attention → Retention → Conversion focused edits
- Cinematic, brand-first visuals (not template-based content)
- Fast turnaround with AI-enhanced workflows
